# INTRO

---

E-LVETS is a passion project.

Our goal is to have a holistic approach for the practice of video games and esports.

We are an association that helps parents and kids to use video games as a constructive discipline to have fun and compete (Play), discover concepts and challenge your brain (Learn) and build a network and apply learnings to your own life (Succeed).

We aim at providing a structured and serious approach to our discipline.

# ABOUT US

We are a non-profit association founded in Switzerland in 2016 by Andres, Gael and Boris.

We focus on video games and esports with a focus on education, innovation and socialization.

Our logo is based on Willelm Tell and his crossbow.

Our name comes from the Swiss ancestors: the Helvetii.

Our moto is PLAY | LEARN | SUCCEED

Our team shout is HUHA

# VISION & MISSION

## Vision

We believe esports is a great platform to learn about many crucial career skills.

We thrive for excellence and never stop improving.

## Mission

01. We want that any player can join a club independently of his proficiency in the game he loves.
02. We want our members to play, learn and succeed.
03. We aim at building the video games and esports of tomorrow.

# WHAT WE OFFER

Video games and esports is a very complex and broad discipline. We focus on the various aspects to achieve our goals.

**01**

Talent spotting and coaching  
We find and train the futur pro players by advising both parents and children.

**02**

Education  
We help our members grow both in games and in life.

We use games as a platform to success.

**03**

Event organisation  
We organise various events such as Lan Parties (ChablaisLan), competitions and specific activities based on our partners needs.

# ACHIEVEMENTS

120+ members in the last 6 years  
20+ teams created on more than 10 games

50+ tournaments joined
